- Community Involvement & Certified Med Tech
- Close to Banks, Library
- Post Office and Museum
- Great Small Town Environment

Tradewater Health and Rehabilitation Center

Dawson Springs, KY 42408

Tradewater Health and Rehabilitation Center is located in beautiful Dawson Springs, Kentucky, close to the Tradewater River. This health center, transformed from the elegant Century Hotel, evokes community pride. **Tradewater Health and Rehabilitation Center** continues to be one of the leading long-term care facilities in Western Kentucky. It is conveniently located 20 minutes west of Madisonville, KY, 64 miles east of Paducah, KY, and 30 minutes north of Hopkinsville, KY. The Western Kentucky/Wendell Ford Parkway provides easy access.

Staff members and the Evergreen Rehabilitation form a wonderful rehabilitation team. Therapies are aggressive, creative, respectful, compassionate, motivated and caring. Services, including physical therapy, occupational therapy, and speech/language are provided to residents and outpatients.

All rooms in this facility are on one level. Amenities include spacious dining room, recreation area with modern equipment, telephone, cable service, and internet access. An activity director coordinates games, bible study, arts and crafts, movies and music. Much consideration is given when planning special holiday functions, theme events, and birthday parties.

Lab services, podiatry, optometry, and dental care are available. A registered pharmacist monitors all medications to ensure proper protocol is followed when medicines are ordered, delivered and dispensed. Personal grooming services are provided by a hairdresser and a barber.

Administrator
Margaret Curtis, MS, CN

Medical Director
Dr. Michael Hack

Director of Nursing
Faron Brothers, RN

In the absence of the Administrator, the DON, ADON or Charge Nurse is in charge of the building in that order. The Administrative Assistant or any department leader is always willing to assist with duties. Feel free to contact any of our team if you need assistance or have questions. We are always happy to assist you.

Member of KAHCF and AHCA

**A Concord Health Systems
Facility**

The Family Council is an active and welcomed presence in the facility. This volunteer group is comprised of residents' family and friends. They work closely with the administrator and the coordinator of social services to address resident concerns and present positive ideas to enhance resident care. Membership is actively promoted.

Volunteers play a vital role in facility operations. Many routinely bring sunshine to our residents via visits, songs, food, crafts, religious services, and personal testimony. The residents and staff enjoy and appreciate the time afforded to them by area musicians and individuals.

Arrangements can be made for Respite Care. Weekend admissions are welcome. Medicare, Medicaid, private pay, and private insurances are accepted. Tours and/or family consultations can be scheduled by contacting Mandy Matheny LPN at 270-836-3745.

We invite you to experience the **Concord Health Systems** approach to care with dignity ever present in a refreshing, small town environment.
